

The gourmet nuts
for luxury hotels
and premium food services.

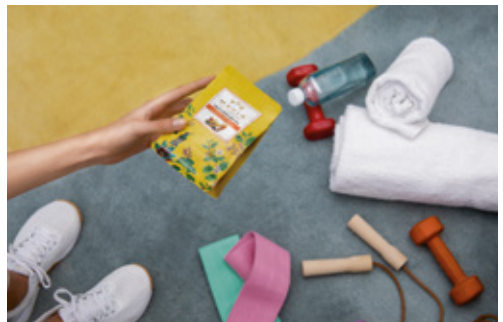

Discover Mavis

Mavis is the first Spanish brand to offer **100% natural**, high-quality gourmet nuts, which, with their **elegant presentation**, make nuts an aperitif that meets the expectations of the luxury sector.

It provides **the best artisan roasted Persian pistachios, and dried fruit cocktails:** real gems from nature.

Mavis takes special care in selecting the raw materials, as one of the founders is a great connoisseur of Middle East gourmet products.

COVID FREE

With its individual packaging Mavis guarantees an external food handling protection which makes the product reach the end consumer intact.

Mavis World

For the first time, **nuts** enter the **gourmet category** thanks to **Mavis**. With their impeccable presentation, they offer great **versatility for use** in **luxury hotels** and premium food services.
